Truman State University recorded the highest team grade point average (GPA) in the fifteenth annual Division II All-Academic Wrestling Team selection and won the Academic National Championship. Truman State University has now won the Academic National Championship a total of four times. Previous championships were won in 1996-97, 2001-02 and 2006-07. Only Colorado School of Mines has won more championships with five. Six other NCAA II schools have also won the National Championships. They include the University of Wisconsin-Parkside, Fort Hays State University, West Liberty State College, Minnesota State University-Mankato, the University of Nebraska at Omaha and the University of Nebraska at Kearney. In 2005 the University of Nebraska at Omaha hosted the NCAA II National Championships and won both the wrestling and the academic national titles. They are the only school to accomplish that feat.
